ANNUAL EVENT DETAILS

JANUARY: WINTER WINELAND

(Martin Luther King Jr.'s Birthday Weekend)

A great opportunity to meet winemakers and taste limited-production wines. Enjoy a weekend of wine tasting, meeting winemakers, touring wineries, and winter themed décor. This event weekend is all about the wine. Tickets available online in advance starting the previous November at wineroad.com, but can also be purchased at a higher price the door.

MARCH: BARREL TASTING

(First two weekends of March)

A chance to sample wines from the barrel and talk with winemakers. A special opportunity to purchase “futures,” often at a discount, then come back to the winery when the wine is bottled (typically 12-16 months later) and pick it up. Many wines are so limited, buying futures is your only chance to purchase the wine you like. Tickets available online in advance starting the previous January at wineroad.com, but can also be purchased for a higher price at the door.

NOVEMBER: WINE & FOOD AFFAIR

(The first full weekend of November)

Our premier event: a full weekend of wine and food pairings. All recipes served during the event will be found online in our event cookbook Tasting Along the Wine Road. Many Wine Road lodgings also provide their favorite recipes for inclusion in the cookbook. Tickets available online in advance starting September 1st at wineroad.com. Advance ticket sales only, NO tickets at the door.

Look for additional events along the Wine Road, including our popular Breakfast with the Winemakers during our three annual events and Magical Mystery Tours.
