

WINE ROAD

NORTHERN SONOMA COUNTY

WINTER WINELAND JANUARY 16-17, 2010 120 WINERIES

Join us for two glorious days along the Wine Road as we celebrate our
18th Annual Winter Wineland.

11:00am to 4:00pm both days

Read through the program to see what each winery will offer during Winter Wineland.

Some offer wine and food pairing, others offer library wines or new releases for tasting, while others have wine discounts, barrel samples or winemakers on hand to discuss their wines. This event does not take place at one location, guests go from winery to winery, visiting the ones they are interesting in exploring.

We Hope You Enjoy Your Tasting Adventure.

- ◆ Please be prepared to show your wristband at each winery you visit (to let the winery staff know you've checked-in).
- ◆ Please be prepared to show your photo I.D. if you are 30 years or younger. No I.D. no admittance.
- ◆ You will need to keep your wristband on for both days.
- ◆ Broken glasses will be replaced, however lost or forgotten wine glasses are \$5.00 each to replace.
- ◆ Adults only...no one under the age of 21 allowed - no babies or children of any age.
- ◆ Please do not bring dogs or pets to Winter Wineland. Some wineries welcome dogs on NON-EVENT days.

Please Help Us With Our Goal Of Responsible Wine Service...

- ◆ No winery will continue to serve or sell wine to any guest that appear intoxicated, even if they have a designated driver.
- ◆ Be aware of those around you as you wait at the tasting bar for your sample, make room for others to enjoy the experience as well.

***** Parking & Tasting Room Space Limitations *****

Please note there are 41 wineries listed in the program that have clearly stated they have limited parking.

In their description you will see they request either no groups over 12 or no buses or limos.

To help you, we have UNDERLINED these wineries. Please respect their request for no large groups.
